DEDICATION

The 1985 TIOT staff feels privileged to be able to dedicate this yearbook to Mr. Charlie Parker upon his retirement from the Norwood Public School System. Mr. Parker began teaching at the Balch School in September of 1953, and in 1961 he moved to the old Junior High. He was welcomed as a guidance counselor at the High School in 1965. In addition to his guidance responsibilities, Mr. Parker was the advisor to the National Honor Society and Business Manager of the Yearbook. His interest in school activities, his care and concern for students, and his friendly smile will definitely be missed around Norwood High. The Class of 1985 thanks Mr. Parker and wishes him a well-deserved happy and restful retirement.

I have lived in Norwood for almost a year now with the Maher family. Some of the things that I like that I don't have back in Spain are, for example, ice skating (I love it), the funny Halloween, Santa Claus (I loved Christmas here), and peanut butter. My friends told me that it isn't a diet food but I didn't hear them. I gained fifteen pounds! I love Norwood. The people here are really nice to me. They have helped me a lot. I want to say thank you to all these people and I hope I come back!

A Song For Ed

This is a story of a country boy named Eddie
He came from the mountains of green
He had a dream, he had everything
but now it's gone, lost with the faded memories
which are locked inside all the pain

(chorus)
Hey where are you man
Lost inside a room with no door
Eddie please come home
we need you back more than before

All the nights we were drinking
you said that you had a lot of plans
that's all over now
like a window shattered with one throw

The last time I saw you
the light was growing dimmer on the road
everyday I still remember
as the rain falls upon my weary mind

(chorus)

As all these days grow shorter
I can see that the light don't shine no more
Eddie please remember
that these tears are cried just for you

As I look down the road I see a crossing
hoping that this nightmare will end
Eddie Where are you now
I want to know if you still can see a light

(chorus)

Hey Eddie this song is for you
I hope this ain't the way to say goodbye
Cause everytime that the rain falls
we hear your name echo in the wind

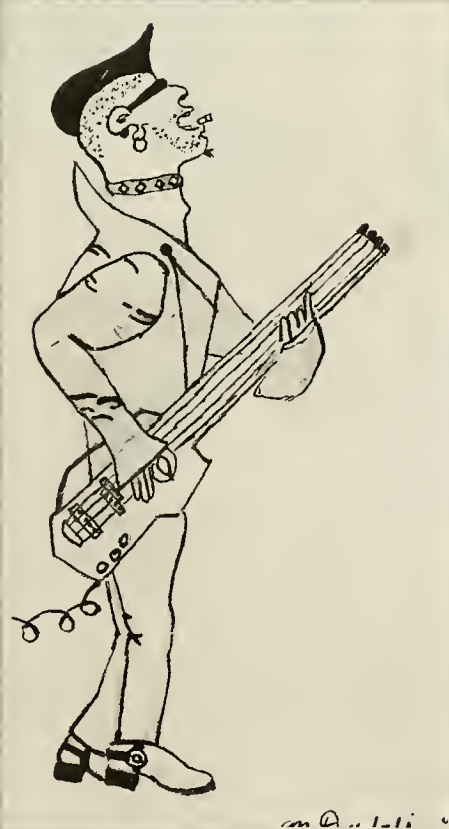

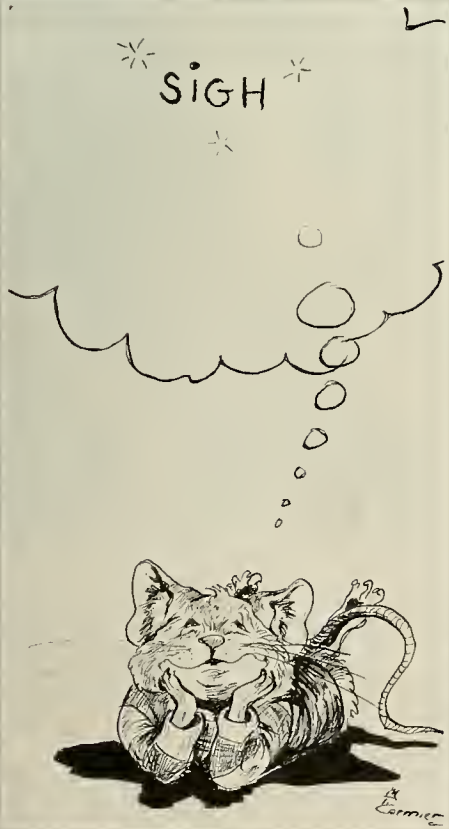

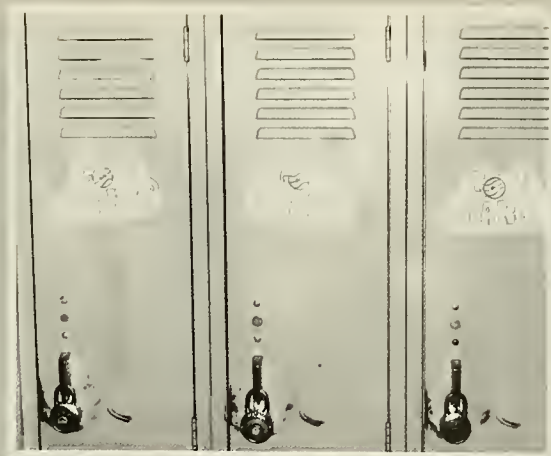

(chorus)

by Stan Amato

ALTHOUGH, IN THE DAYS OF YESTERYEAR, RESOURCES HAVE RULED, OUR
FRIENDSHIP WILL PREVAIL ~~AND WE SHALL FOREVER~~
FIGHT THE SYSTEM. IF YOU HAVE BESTRAYED, MY FRIEND, IN THE
LIGHT YOU SHALL FIND THE ROAD. FOLLOW US THROUGH THE BATTLE OF
EVERMORE, PAST THE HOUSES OF THE HOLY, OVER THE HILLS AND FAR
AWAY TO THE OCEAN, FOR WHEN THE LEVEE BREAKS WE'LL BE GOING TO
CALIFORNIA WHERE WE'LL ROCK AND ROLL DOWN BY THE SEASIDE UNTIL
THE BLACK DOG FORCES US TO TAKE OUR NIGHT FLIGHT UP OUR STAIRWAY
TO HEAVEN.

"Only as far as we seek
can we go...
Only as much as we dream
can we be..."

The Art Honor Society has been extremely active this year. In order to raise money for the annual excursion to New York, a successful fundraiser was held which earned \$150 for the group. We would like to thank the students and faculty for their support. Thanks to the patience and professional guidance of advisor Mrs. Monroe, the Art Honor Society has been able to attain all of their creative goals throughout 1985.

Key Club

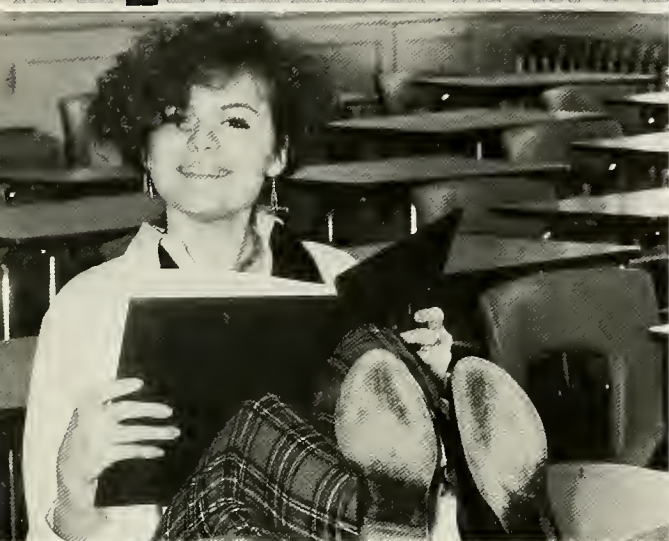

KEY CLUB OFFICERS:

Elizabeth Goss, Committee Coordinator; Mary Panciocco, Secretary; Lisa Bombaci, Treasurer; Jean McFarland, Vice President; Andrea Cieri, President

The Key Club is a student organization designed to help the community. Certain activities this year's Key Club has been working on include peanut sales to help support the Kiwanis Club and lottery ticket sales to increase student scholarship funds. We also sold postcards so that people would write to a Scottish boy who was dying of leukemia. We planned bake sales at various school functions to support the needy. At the beginning of the year the officers met with other Key Club officers from surrounding towns. It was a great opportunity for the officers to meet with others with similar interests.

Due to dedication, hard work, and a positive attitude, the Norwood High Mustang Cheerleaders achieved their goal on October 12, 1984 and won their third consecutive Bay State League Title. This competition proved to be the most competitive, but their unique partner stunts and awesome mounts excelled above the rest. This year's squad of 22 cheerleaders would like to thank Donna, their parents, and P.U.F.F. for all of their time and support. The seniors wish the best of luck to next year's squad.

Cheerleaders

Captain J. McGrath, Coach Lopes, Captain S. Araujo

Although the 1985 Boys' Soccer Team experienced a major setback, they were able to bounce back and win a fair number of games. During the beginning of the season, the team acquired a 4-1-1 record, but much to the surprise and disappointment of the team and coaches, one of their players was declared ineligible. The Mustangs were forced to give up their winning record.

This year's high scorer was Tony Barrera, and the unsung hero this year was Larry Wiggin. This year's captains were Silverio Araujo and John McGrath. Silverio Araujo also received this year's M.V.P. award.

The team would especially like to thank Coach Lopes and his wife, as well as Coach O'Brien.

Good luck to next year's team!!!

BAY STATE LEAGUE CHAMPS

This year was a most successful season for the Mustangs as they finished the season 12-4-2, tied for the league championship, and qualified for the state tournament. This was the first year for new head coach Jim Gormley, and assistant coaches Rich Lovell and Al White. Due to their hard work and dedication they brought Mustang hockey back to the top of the league. After a disappointing start of 1-5 the Mustangs never gave up and fought back to finish their last fourteen games 11-1-2. Leading the Mustangs were tri-captains Tim McGowan, Dave Hayes, and Steve Gately. The seniors would like to thank the coaches for their constant support and wish next year's team the best of luck!

Masonell

people at work

Masonell International, Inc. is a leading manufacturer of automatic control valves.

Every day, at the Norwood plant and Masonell facilities throughout the world, hundreds of control valves are manufactured for the process industries: chemical and petrochemical plants, power generating stations, and processing plants of every type.

Making these valves requires many different skills—engineering, drafting, machining, grinding, welding, accounting, marketing and customer services—to assure that each valve provides long lasting, precision service.

Meet **MISS
WORLD
OF WHEELS**
LINDA WEISMEIR

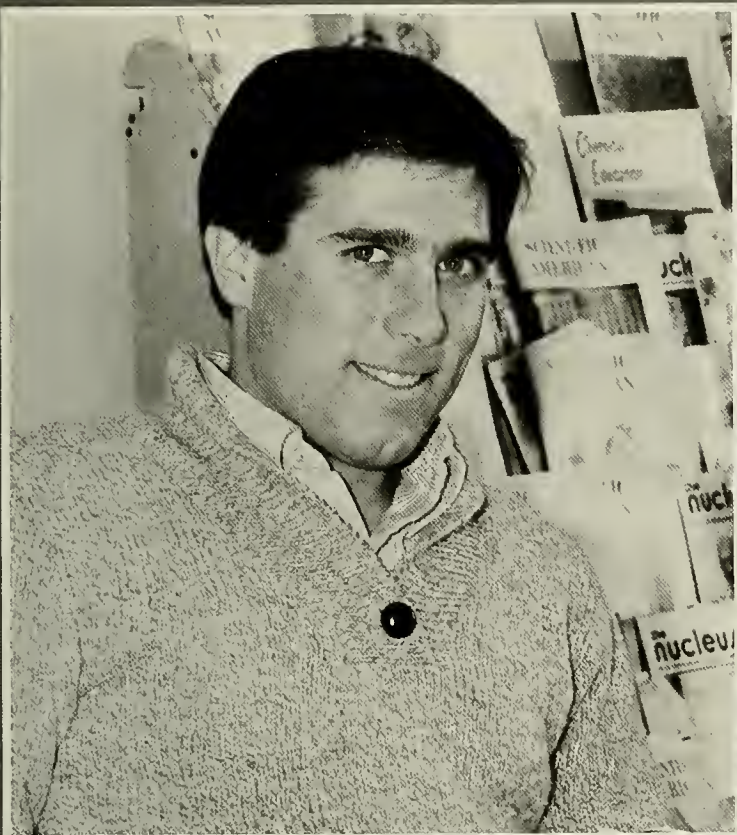

Senior is when . . .

The end signifies the beginning
You constantly pray for a snowstorm
You learn the hard way that cramming for
S.A.T.'s doesn't help
Sophomores and juniors eat their hearts out
when you get out on May 17
Summer is so near . . . yet so far
Walking becomes obsolete
You are convinced that no one has suffered as
much as you
The last football game brings tears to your eyes
Counting the weeks on the calendar becomes a
habit
You look up no more . . .
You run home to check the mail
You look back on the memories and look
forward to the new . . .

Graduation means no more . . .

Getting here early for parking

Detention

Out of class passes

Air-conditioned winters and heated summers

Tator-tots

S.A.T.'s

Smoking area

Broken windows

Class meetings

School on the hill

Graduation is an end,
But also a beginning . . .
The start of all the dreams
That every graduate is spinning.
Graduation is sighs and laughter
Mingled liberally with tears,
Lingering memories of one's sharing
Life with classmates through the years.

In Memoriam

A Song in my Heart for You, Cynthia

A Song in my Heart for You, Cynthia.
I'll miss you each hour that passes.
When thoughts of you come to me,
I'll shed a tear and the pain will leave.
I've learned to smile and laugh with you.
You are my best friend, Cindy,
And I know you are happier now —
More than I will ever imagine.
I loved you, Cynthia,
If only you realized how much.
I'll miss you.
